

Etch Tea Light Holder Dot Black

Our much-loved Etch Tea Light Holder is now available in black. The geodesic structures are made up of sections of 0.4mm etched metal sheets inspired by the logic of pure mathematics. The finely etched holes create a mass of intricate shadows when lit. Collection also available in Copper, Brass and Stainless Steel. Presented in gift packaging.

Process	Made from photo etched anodised aluminium, hand assembled.
Year of Design	2015
Material	Anodised aluminium.
Product Code	ETC02BLK
Colour	● Black
