

Etch Tea Light Holder Wood Black

Our much-loved Etch Tea Light Holder Wood is now available in black. Finely etched holes in the metallic sheet give the illusion of a textured wood surface. When lit, the organic pattern etched onto the pentagon structure casts a web of complex shadows to the nearest surface. Collection also available in Brass, Copper and Stainless Steel. Presented in gift packaging.

Process	Made from photo etched anodised aluminium, hand assembled.
Year of Design	2015
Material	Anodised aluminium.
Product Code	ETT03BLK
Colour	● Black
Cleaning Instructions	Not dishwasher safe. Do not use abrasive agents as this will damage the surface. Clean with soft dry cloth.
