THE POPSTAR BAR

The bar has a quilted grey berry silk back panel and is fitted with a knurled solid smoked bronze light fitting. On the top of the bar sits a black marble 'mixing' platform for your drinks.

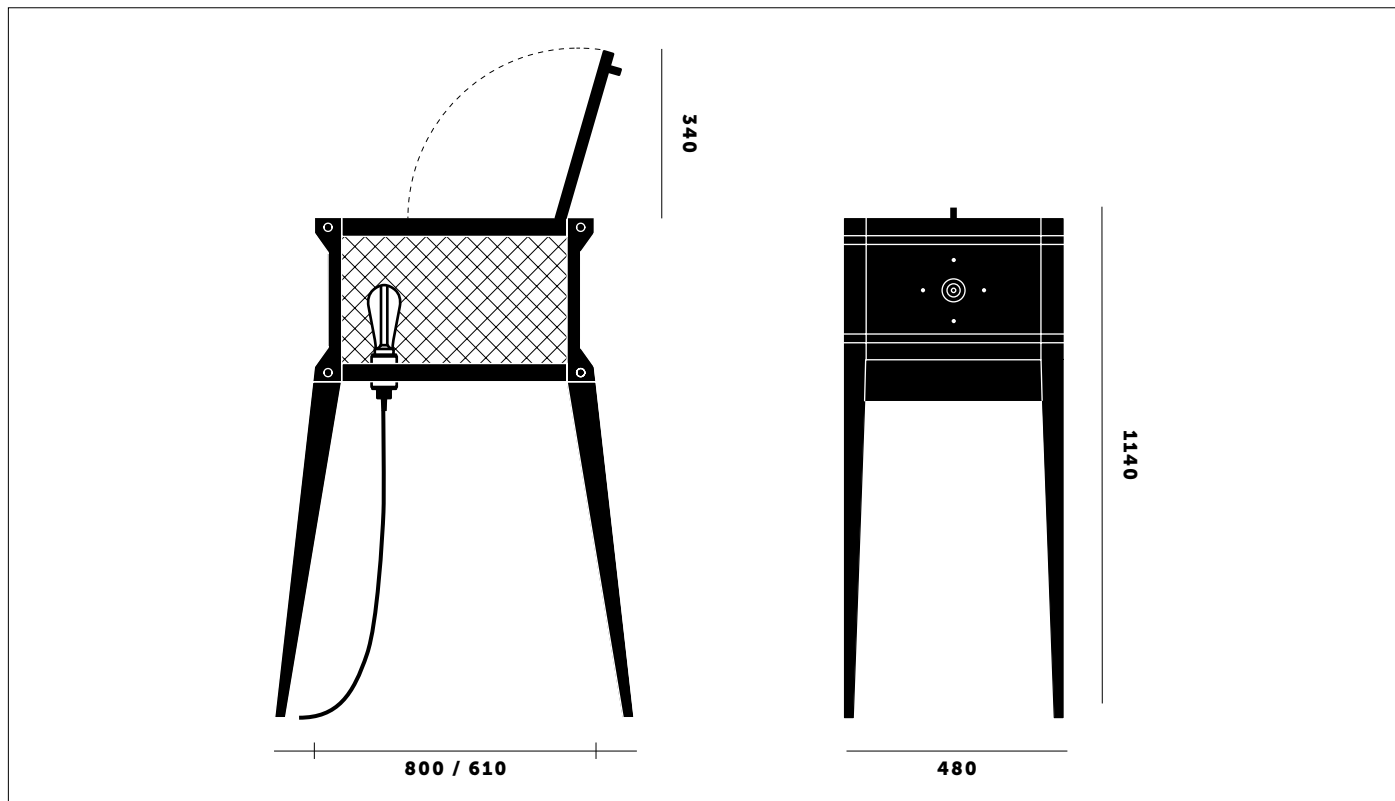

The bar is then finished with our signature smoked bronze coin screws, a knurled smoked bronze furniture handle and a diamond-etched smoked bronze logo plate.

The bar arrives with detachable legs complete with metal machined brackets - as there is no point in having a POPSTAR in your house, if you can't get it through the door!
